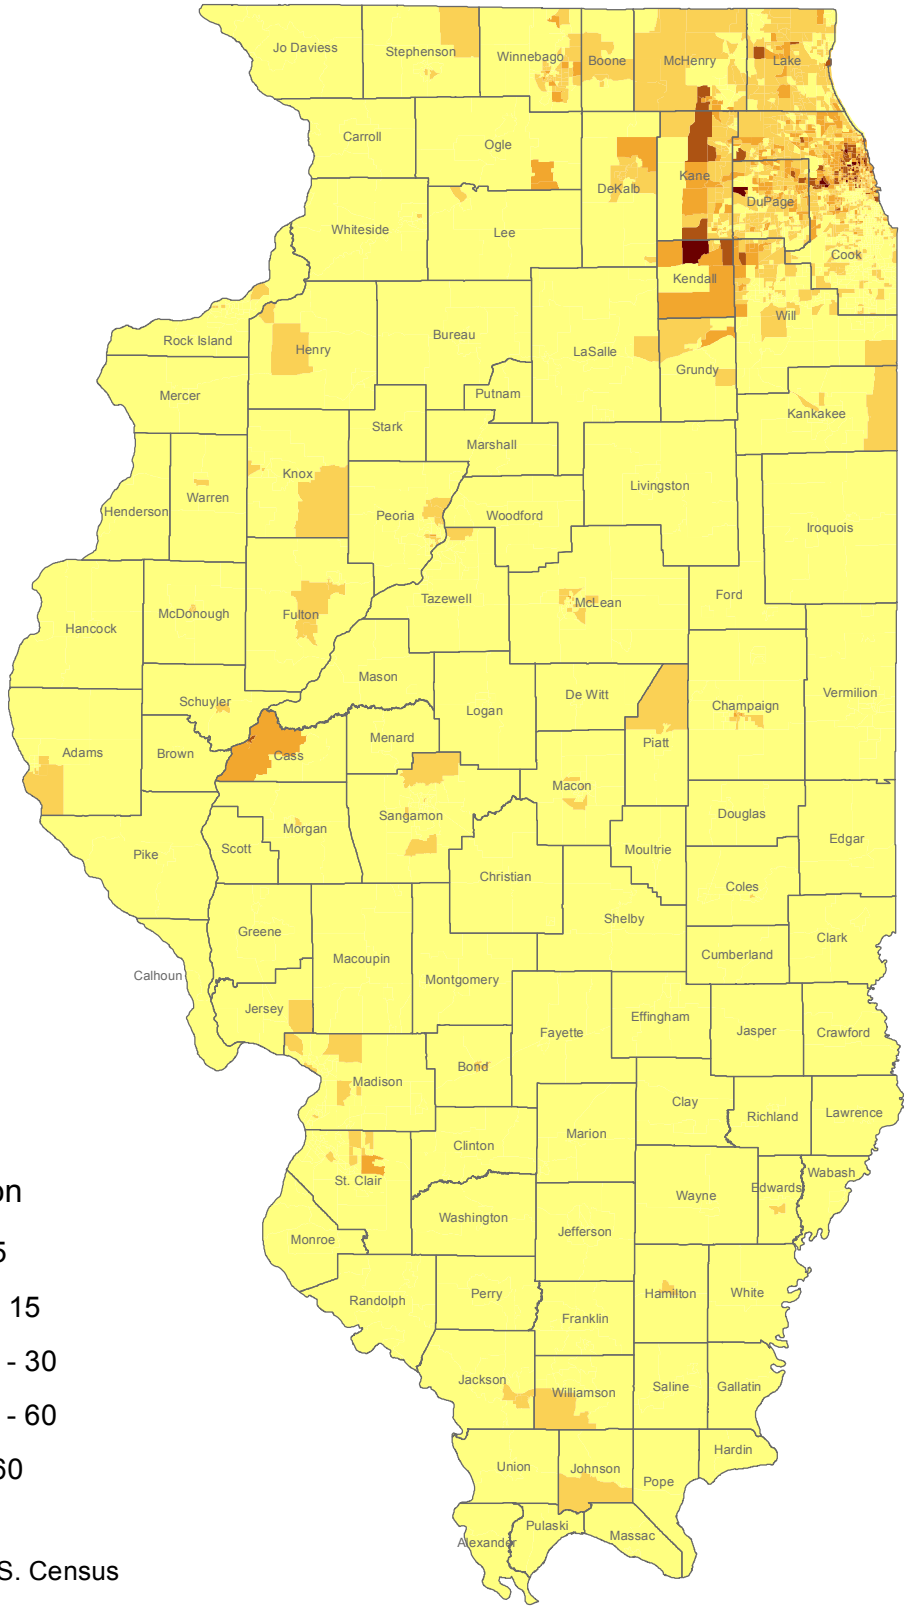
# 2010 Cuban Population by Census Tract



## Population

- < 5
- 6 - 15
- 16 - 30
- 31 - 60
- > 60

Source: U.S. Census

Note: Hispanic individuals were self-identified in the 2010 Census through a question asking the respondent to select their origin or descent from a list of ethnic origins that included Mexican, Puerto Rican, Cuban, Central or South American, or some other Hispanic origin. Persons who self-identified as being of Hispanic origin may be of any race.
