Population

- < 350
- 351 - 1000
- 1001 - 2000
- 2001 - 3500
- > 3500

Source: U.S. Census

Note: Hispanic individuals were self-identified in the 2010 Census through a question asking the respondent to select their origin or descent from a list of ethnic origins that included Mexican, Puerto Rican, Cuban, Central or South American, or some other Hispanic origin. Persons who self-identified as being of Hispanic origin may be of any race.
